## PRESENTATION GUIDELINES

Digital Poster must be submitted using the template available for download on the Digital Poster submission page. You can also download a template [here](#).

When creating your Digital Poster, please follow these guidelines:

- All Digital Posters must be submitted in either **.ppt** or **.pptx** format.
- You are limited to a maximum of 4 slides within your Digital Posters, organised as you wish (e.g. one for Title, Introduction & Methods, two for Results and one for Summary & Acknowledgements).
- All Digital Posters must be submitted using the provided template and in 16:9 portrait orientation.
- JPEG or PNG is the preferred file format for inserted images. **Please be mindful of any copyright issues of photos used when creating your poster.**
- Submitted poster file in .ppt or .pptx format must not be larger than 50MB.
- Font – Arial, Verdana, Tahoma and Times New Roman are recommended.
- Font size – headings should be between 30 – 40 points and content 14 – 20 points.
- Please note that the template provided is a guide only and you are welcome to change the colour in the template to suit your presentation.

**Please note:** It may take up to an hour for the Digital Poster to be processed and you will receive an email when the upload is complete. Please ensure you log in to check the artwork is correct. You will have an opportunity make amendments until **31 July 2019**.
