

MORE THAN MEETS THE EYE

Dietitians Association of Australia 36th National Conference

Gold Coast, 12-14 August 2019

PECHA KUCHA ORAL PRESENTATION STYLE EXPLAINED

Pecha Kucha is a Japanese term that translates to 'chit chat'.

The aim is for the presentation to be clear, succinct and overcome text heavy PowerPoint. Presenters are allocated with a maximum time of 6 minutes and 40 seconds which equates to 20 slides shown for a maximum of 20 seconds each.

GUIDELINES TO FORMAT YOUR POWERPOINT TEMPLATE

1. Open PowerPoint. In slide view, right-click on the first slide on the left and select **Layout** and **Blank**. This creates a blank canvas.
2. Right-click again on the slide and select **Duplicate**. This creates another slide just like it.
3. Since the **Duplicate** command is already in PowerPoint's memory, use the shortcut **Ctrl-Y** to repeat the duplicate (or just right-click duplicate again) 18 more times, for a total of 20 blank slides.
4. Use **Ctrl-A** to Select all slides in the left, and then go to **Animation**, advance slide and set it to 20 seconds.
5. You can also **select transition styles and speed** here. Just don't choose Dissolve—the simplest is the best. Maybe nothing more than a simple fade.

For more recent versions of PowerPoint, choose the "Transactions". Under "Advance Slide", tick "After" and set the time to 20 seconds (00:20:00) after duplicating slides.
